ADDING PRODUCTS TO YOUR CART

To add products to your cart, simply select the quantity you would like to purchase and click the "Add to Cart/Quote" button.

Items are automatically added to your cart and you can resume searching for additional products.

REVIEWING YOUR CART
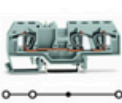

Within your cart you can view all chosen products and edit quantities. You can also use the quick add search bar to add additional products.

If you are satisfied with your selections, you can enter any order remarks and click "Place order".

If you are requesting a quote for these items select "Request for Quotation".

AFTER THE ORDER IS PLACED

You will receive an email confirming the order information. After the order is reviewed by Lakewood Automation, the order will be updated accordingly.

You will be able to view your orders by clicking your personal menu and selecting "Orders". Once in the order screen you can search for orders by PO, order ID, or buyer name and clicking any order you would like to view in more detail.
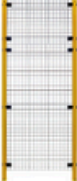

Home > Orders > EC1-717-092-935
